FACULTY AND ADMINISTRATION

Illinois Valley Community College Administration leads us onward

Illinois Valley Community College Administrative Staff is headed by Mr. R. Earl Trobaugh, President. Mr. Trobaugh, the School Board members, and the Faculty direct and lead Illinois Valley Community College.

IVCC is a comprehensive community college which was established to provide an opportunity to participate and share in continuing educational and cultural programs.

Illinois Valley Community College administration members continue to plan and prepare for its permanent building program. The College, in the future, will be housed in various buildings overlooking Illinois Valley. And so we continue to envision our future occupations, and our own future lives. We also look toward the future with our Administrative Staff.

SENIORS

Seniors Return to Complete

This year's senior class received the distinguished honor of being the first to complete two full years on the new temporary IVCC campus. Adjusting to unexpected inconveniences went hand in hand with experiencing the satisfaction of having a junior college completely separated from a high school.

Just as much as IVCC has become a part of the seniors, the seniors have become a part of IVCC. Throughout their two years members of the class experienced an involvement in their campus ranging from the mad, carefree stampede trying to get first choice on registration day to the solemn, dignified procession of receiving diplomas on graduation. Between these two encounters remains an endless list of activities.

Upon entering college, first year students find there are many adjustments to be made. How well they adapt to their new world determines, in part, how successful their life will be.

FRESHMEN

Freshmen Adjust to New Environment

Freshmen came to IVCC in search of a goal,—their careers. Many freshmen will go on to further their education in a four-year university, while others are here for two years and a degree in vocational occupations. Whatever the case, IVCC satisfies the needs of its students. The laboratory serves as a home for exploration in physics, chemistry and biology for our freshman students as well as seniors. The best equipment is available to help the student in his quest for knowledge. The finest teachers are available to help the student when problems arise.

Vocational students have one of the best technology programs in the state. This program prepares students for a career in our industrial and business world

after two years of college.

The library at IVCC is an expanding building of

knowledge to help our freshman students adjust to their hard courses.

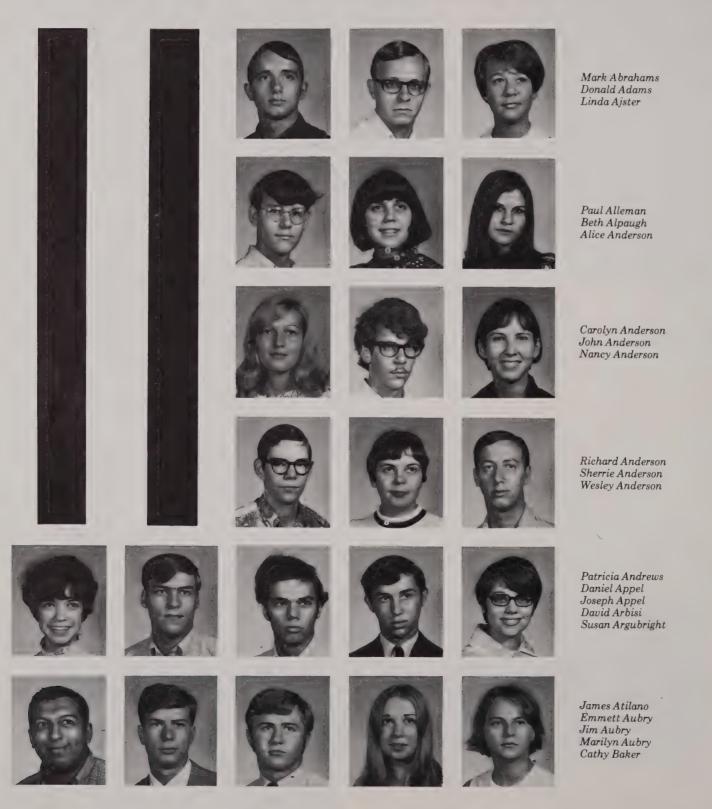

Freshmen with a lot of free time may go to the student union for relaxation and a time out from class; and enjoy a bite to eat, a cold coke, and some chitter-chatter.

Audio-Visual—a new system of teaching is available to help our freshman students fight off college problems by showing slides and pictures of how to operate equipment in the lab or on operation of other things on campus.

Freshman students in temporary buildings this year may look forward to the new permanent campus

to be begun this summer.

Freshmen through the use of IVCC and its facilities, head toward their goal in life.

Concentration helps to win the game.

Biological Society Features Guest Speakers

The purpose of The I.V.C.C. Biological Society is to broaden interest in the science. A guest speaker is present at evening meetings and an annual field trip is planned. This year the club also sponsored a dance, which was called a "Morp" or reverse prom.

Chris Bethune prepares to introduce a guest speaker.

Dr. Farley was one of the guests who spoke at a meeting of the Biological Society.

Chippewas, I.V.C.C.'s Women's Club, Serves Community

Members of Chippewas pose at one of their meetings.

The club's social events included an Initiation Tea in October. This was the climax of a week of initiation activities. Their Valentine's Dance featured the 927 Yaha Band; the group also played for Shindig '70. The Mother-Daughter Banquet, planned in May, ends the activities for the year. At this banquet, the officers for the following year are installed.

Chippewas had two new sponsors this year, Mrs. Mary Jones and Miss Kathy Notbohm.

Brigadoon: Heart-

Fiona Mac Laren (Michelle Callahan) and Tommy Albright (Patrick Graham) ponder and sing of "The Heather On the Hill".

Fiona (Michelle Callahan) talks with some other girls, Carol Wemstrom, Rosalind Kutz, Mary Beth Cicci, Victoria Marriott, Carolyn Ehrhardt, and Sue Adrian, as she tells them she is "Wait'n For Her Dearie".

Since Richard Marriott, drama director, came to IVCC, a number of firsts have been scored.

In the summer of 1969, several firsts were scored. It was the first revival of Brigadoon to come to the area since 1958, and the first time a musical play was presented on campus. Also another first: the first time a musical was ever presented in a circus tent.

When the musical closed the tent was disassembled and sent away, but the heart-warming fantasy of Brigadoon will always remain at IVCC.

Charles C. Palia Jr. walks with Jean Maclaren (Carol Koerner) to the wedding ceremony, as Andrew Mac Laren (David Thomas) looks on.

Warming Fantasy

Meg Brockie (Cheryl Castiglia) tries to convince Jeff Douglas (Larry E. Burash) to love her.

Mr. Lundie (Glen Gerrard) lives in the enchanted forest, and helps the villagers with their problems.

The Corps De Ballet (Joanie Frasor, Larry Elkins, Candace Ferger, and James O'Dell, Jr.) dance at the wedding ceremony.

Villagers mourn over the death of Harry Beaton. Villagers are Bill Bernardoni, John Frame, David Thomas, Jerry Miller, Bill Sinon, Alan A. Turner, and Harry Beaton (Daniel Martinkus). Tommy Albright (Patrick Graham) a non-resident of the village looks on from the back.

Beginning to write plays, but not being able to finish them is a big problem for Penelope Sycamore (Catherine Hall).

Donald (Kent Hageman) is not a member of the family, but he manages to be around at meal time.

You Can't

Paul Sycamore (James O'Dell, Jr.) and Mr. De Pinna (James Gayen) are attempting to make firecrackers, but unfortunately never succeed.

Martin Vanderhof (Glen Gerrard), and Alice Sycamore (Marcia Knudsen) talk over the plans for her up-coming wedding:

Take It with You

Rheba (Danielle Bright) tries to set the table for supper, but Donald (Kent Hageman) seems to be in the way.

Mr. and Mrs. Kirby (Margaret Wagner and David Thomas) the parents of Tony Kirby disapprovingly discuss the marriage of their son to Alice.

Essie (Candace Ferger) a ballet student, Ed (Bill Bernardoni) Essie's husband, and Boris Kolenkhov (Patrick Graham), Essie's ballet teacher go over some new steps. Ed plays the xylophone while Essie dances. Kolenkhov instructs her, but he confidentially thinks she stinks.

Alice (Marcia Knudsen) and her husband to be Tony Kirby (Les Grant) drink to their new life together.

Again the college players of IVCC put their talents together, and came up with another winner. Under the direction of Richard Marriott, the players presented "You Can't Take It With You". It was presented in November of 1969 and was the first in a series of plays.

Like the previous ones, "Teahouse of The August Moon", The Man Who Came To Dinner", "Inherit the Wind" and "Brigadoon". "You Can't Take It With You" will go down as another hallmark for the fine arts department.

Grouped around Bill Bernardoni, other members of the cast are, from left to right: Michelle Callahan, Sue Adrian, Jan Standard, Cathy Hall, Marcia Knudsen, and Danielle Bright.

Please Don't Eat the Daisies

Jan Standard is surrounded by James O'Dell, Tim Palumbo, Al Turner, and Bill Bernardoni.

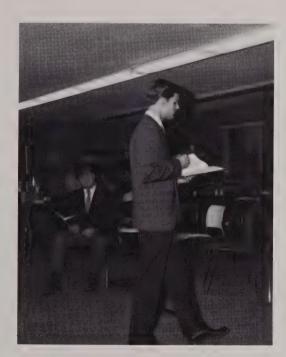

Reader's Theatre Presents "Lisa and David"

Lisa (played by Michelle Callahan) comes to the realization that her mother (played by Margaret Wagner) loves her.

The cast: Seated from left to right, Cathy Hall, Dave Thomas, Jim Peddicord, Michelle Callahan, Al Turner, and Margaret Wagner. Standing: Larry Johnson, Jean Bianco, Tim Palumbo, Jan Standard, Jerry Miller, and Bette McEwan.

David (played by Jim Peddicord) discusses his problems with Doctor White (played by Dave Thomas).

Doctor Grayson (played by Al Turner) tells Lisa her mother has come to see her.

David tries to make his mother (played by Cathy Hall) understand him.

Students Collect \$8,500 for Horizon House

Horizon House—a dream that became a reality.

As a vet's club project, members help paint the work-activity center.

Horizon House, the L.P.O. area work-activity center for the mentally and physically handicapped, is swinging now into full operation. Horizon House tries to provide its clients with a realistic work setting with a small income. The purpose of Horizon House is to enable the clients to become useful and productive members of the community. The community center is under the direction of Mr. Donald Fike. With the aid of the I.V.C.C. students and clubs in their house-to-house canvass, the center is now a reality. Total collected from the drive went over the \$8,500 mark.

Jamie Huling and Mike O'Donnell and other volunteers helped in the house-to-house canvass for Horizon House.

Detective Story

Officer Keogh (John Kunkel) and Officer Barnes (Bill Barr) pose to have their pictures taken with their two criminals, Lewis Abbot, (Steve Centko) and Charlie Gennini (Kent Hageman).

Joe Feinson (Bob Noonan) is the precinct reporter who likes cops.

Miss Hatch (Sue Adrian) is called in by the detectives to identify a criminal.

Detective McCleod (Glen Gerrard) mocks holding his brain under the faucet to wash away the dirty pictures his wife Mary (Margaret Wagner) put there.

in the Dom

Tami Giacoppetti (Bill Bernardoni) is being questioned by Lt. Monoghan (Dave Thomas) about a criminal.

With the efforts of Mr. Richard Marriott, and the members of the theatre production class, the Dom stage was changed into a New York City precinct police station.

This was the setting for Sidney Kingsley's moving drama "Detective Story."

The story is centered around a detective who believes a person is guilty until proven innocent. It expresses tension, sympathy, and sorrow which is let up by comedy relief by two burglers, and a love-sick shoplifter. It all leads to the death of the persuing detective.

"Detective Story" brought more recognition to IVCC. Record attendance was set for the four night run.

Along with the other productions, "Detective Story" left lasting and wonderful memories throughout the IVCC community.

Detective McCleod (Glen Gerrard) talks to Kurt Schneider (James Gayan), a suspected criminal, who was given instructions by his lawyer Endicott Sims (Rich Colby).

Detective Dakis (Jerry Miller) questions a shoplifter (Candie Ferger).

Mr. Pritchett (James Jewell) tells Detective Brody (Dave Bernabei) that Arthur Kindred (James Steffaniak) was a trustworthy boy. Susan (Michelle Callahan) looks on.

Phi Theta Kappa is a nationally recognized scholastic honor society for junior colleges. Its purpose is to recognize and to encourage scholarship among junior college students. Their greatest achievement was hosting the first Illinois state convention, held in February. Also, they sent fifteen members to the national convention at Panama City, Florida, and are planning to send delegates to the honor study program at Bennett College, Millbrook, New York.

The initiation during the spring brought twenty-seven new members into the club.

"News and Views"

Each week the general public is invited to listen to the "news and views" of Illinois Valley Community College on the IVCC Radio Show. The show is entirely produced on the college campus by members of the IVCC Radio Club. These members work throughout the week to prepare and record a 15 minute program, which is broadcast as a listener service by six radio stations in the area. Stations which carry this program include; WIZZ in Streator; WCMY in Ottawa; WLPO in LaSalle; WZOE in Princeton; WOLI in Ottawa; and WGLC in Mendota. The programs are presented at various times during the week by these stations.

A member of ACS is busy in the laboratory, working on a chemistry experiment.

American Chemical Society strives to stimulate interest in science, particularly in chemistry. The organization gives students an opportunity to become better acquainted with scientific practices, and fosters professional pride. Guest speakers are frequently featured at meetings.

IVCC's Newest Club—Pep Club

Officers of Pep Club are Gloria Baracani and Joan Quartucci (Seated), and Chris Sebastian and Toni Zomboracz.

Chris Sebastian, Betsy Zombres, Al Turner, Jamie Huling, and Toni Zomboracz plan the pep session during a meeting.

Pep Club was formed early in the second semester by students interested in increasing school spirit. By publicizing games, sponsoring a pep session, and chartering a bus to the Apache's game in the sectional in Normal, the club pursued their goal with some success.

Phi Beta Lambda Provides Activities for Students Interested in Careers in Business

Due to the fact that the pictures taken for Phi Beta Lambda did not turn out, we can only include a write-up for this organization.

The purpose of Phi Beta Lambda is to help build confidence and scholarship. It also strives to provide an opportunity to develop leadership and a better understanding of business. Membership in the club requires that a student take at least one business course

The local chapter of Phi Beta Lambda was formed in 1964 at L.P.O. Junior College. Mrs. Loraine Lohts was advisor at the time. The local chapter has been very busy and active in state activities. Dean May, a past member of our chapter, served as state vicepresident and currently, Ted Downey is serving as state president.

There were many projects planned by the club. These activities include: an initiation dinner for officers; a couple of business trips; attending the state convention in Springfield; and a closing banquet.

The officer makeup of the year 1969-1970 was: President, Craig Cinotto; Vice-President, Tom Donnelly; Treasurer, Kay Humphrey; Recording Secretary, Kathy Simkins; Correspondence Secretary, Janice Cleer; and Publicity Chairman, Richard Tonozzi.

A Tribute to John Willard

John C. Willard, dedicated instructor, taught chemistry for many years to high school and junior college students. In twenty-three years he proved to be a great influence to many students who will never forget him.

Mr. Willard received his bachelor's degree from the University of Chicago and his master's degree from the University of Illinois. His post-graduate work was done at the University of Montana, the Philadelphia School of Science and Pharmacy, Illinois State University and the University of Redlands in California.

During his teaching career he taught science classes and chemistry classes at L-P and most recently at IVCC. As the Director of Audio Vision at L-P, he was responsible for all the films for the classes. Besides his duties in the classroom, Mr. Willard was a member of the American Chemical Society and both the national and state education associations. He also wrote frequent papers for the American Medical Association, on Vitamin A on which he had done extensive research, and Friends of Our Native Landscape.

Versatile in many areas he was an accomplished pianist. His interest in theology was reflected in his work as Chairman of the Christian Education of his church. One of his main interests was the education of young people and he constantly strove to make sure that their education needs were fulfilled in the best possible manner. Students never found him unwilling to help them in their work. He always viewed each new situation with optimism and was a hard worker in all his undertakings.

To Mr. Willard, we wish to dedicate this 1970 IVEE for his devotion to education.

Pride is the key, really. Pride is what makes a student practice for hours after school. Pride is what drives him on until every bone in his body aches. Pride is what makes him give everything he has and then go out and give some more.

Apaches to State Finals

Will it or will it not?

Mike with the easy touch.

For 1969-70 inconsistent was the word for the Apache basketball squad. Although it showed itself able to defeat fine teams, the Apaches frequently lost to weak opponents. In season play the Apaches finished with a 13—10 mark, and finished second in NICJC Western conference behind Rock Valley.

The Apaches took part in a holiday tournament this year at Burlington, Iowa, but came back with losing attempts.

In the Region IV Regional, the Apaches won the title with great play by defeating Carl Sandburg 117—88, and Sauk Valley 108—80. The Apaches then moved into the State finals, where they lost their first game to Olney 87—64.

Mike Kilmartin lead the team in scoring while Mike Resetich lead the team in rebounding. The Apache offense average clip was 96.9 points a game while they limited their opponent to an average of 91.8.

Lack of depth and seasoning hindered the Apache Track Team last season and head coach Les Hoenscheid tried to rectify that this year. Les was assisted by Kerry Bryan. The Apache strength centered around a handful of events: the 100 yard dash, the 220, the shot put, and the relays. The track team moved into a new conference this year consisting of six teams.

The cindermen practiced on the LaSalle-Peru High School track as they awaited their first meet of the season when they traveled to Joliet, to meet Kennedy-King, Malcom X, and Joliet on April 6. The track team had nine meets this year, and all were on the road because of a lack of facilities.

In Memoriam

Timothy Trager (December 4, 1949—August 6, 1969)

The student body, the faculty, and the community at large were stunned by the sudden death August 6, 1969 of Timothy Roger Trager. He became a student at IVCC in January of 1969, after having enlisted in the Marines and was to be inducted on October 1. He wanted to get his service time over with so he could finish school and become a minister. The sudden death of Tim was an industrial accident, which took place while he was working at the National Biscuit Company in Marseilles, during the summer. Tim was the son of Mr. and Mrs. Fred Bowker, of Marseilles.
